

Portrait Photography Price List

Intro:

At **ikonic** photography we do things a little differently from your normal photographer. We have simplified our offering to two packages and then you can tailor them by adding options to give you exactly what you want. We believe that you should concentrate on the style of photography you want and not by all the different package offerings.

However, if you want anything different then we are more than happy to give you a bespoke quote.

The ikonic offering:

A portrait session, of about an hour or two, is booked at a convenient time and place. At a cost of £75 you will get the following:

- Pre-consultation to go through your exact requirements. We will provide you with a written quote/order to confirm details.
- Photography in the studio or on location
- The number of photographs taken will be dependent on requirements but is expected to be in the region of around 100 images. There is no limit set.
- A DVD slideshow of all images that can be played on your computer or TV
- An online service of all your images will be made available to you, friends and family for viewing or ordering photographs
- Any of the images captured can be colour, black and white or sepia – there is no limit on this
- An additional number of photographs will be digitally enhanced from the originals to enhance the impact of the image. If any others are required then this is upon request and charged separately
- All travel expenses up to a 10 mile radius is included should it be on location

The second is a 30 minute studio session. At a cost of £20 you will get the following:

- Pre-consultation to go through your exact requirements.
- Photography in the studio
- The number of photographs taken will be dependent on requirements but is expected to be in the region of around 40 images. There is no limit set.
- Any of the images captured can be colour, black and white or sepia – there is no limit on this

Then all you have to is to decide whether you want to add any of the following:

- Order an album of your favourite images - starting from £80 – please ask for details

- Additional DVD slideshow of all images - £20
- DVD of all the high resolution images - £350
- Framed or canvas prints – please ask for details
- 10 images for facebook, youTube etc. - free

If there is anything else you require we will be happy to accommodate wherever possible. If we can – we will!
